

ELUCIDATION OF GOVERNMENT REGULATION
OF THE REPUBLIC OF INDONESIA
NUMBER 31 OF 2013
CONCERNING
IMPLEMENTING REGULATION OF ACT NUMBER 6 OF 2011
CONCERNING IMMIGRATION

I. GENERAL

Act Number 6 of 2011 concerning Immigration enacted and came into force on May 5, 2011. With the enactment of the Act, has ordered the implementation of some provisions for further stipulated in Government Regulation, each of which is Article 23 concerning the requirements and procedures for entry and exit of the Indonesian Territory, Article 33 concerning the requirements and procedures for provision, retraction, cancellation, revocation, replacement, and procurement of the form as well as the standardization of Travel Document of the Republic of Indonesia, Article 47 concerning the requirements and procedures for application, type of activity, duration of the Visa, and procedures for granting Entry Stamp, Article 65 concerning procedures and requirements for application, time frame, provision of renewal, or cancellation of Stay Permit, and Transfer of Stay Permit Status, Article 90 concerning Immigration control, Immigration intelligence, Immigration Detention Center, and Immigration Detention Room, as well as the handling of victims of Trafficking in Persons and Human

Smuggling, Article 103 concerning Implementation of Prevention and Deterrence, and Article 112 concerning the requirements, procedures for appointment of PPN Keimigrasian, and investigator administration. While, specific for further provision concerning immigration charges as contemplated in Article 138 Clause (3) of Act Number 6 of 2011 concerning Immigration will be governed by separate Government Regulation.

Preparation of some provisions which constitute the implementation regulation of Act Number 6 of 2011 concerning Immigration in one Government Regulation is intended to make it more efficient and integrated as well as to provide ease of understanding for those interested in the field of immigration.

Subject of content governed here includes the requirements and procedures for:

- a. Entry and exit of the Indonesian Territory for Indonesian citizen and Foreigner, and the conveyance;
- b. Provision, retraction, cancellation, revocation, and replacement of Travel Document of the Republic of Indonesia, and procurement of the form and its standardization;
- c. Application for Visa, and type of activities and the valid period of use;
- d. Application for Stay Permit, includes provision and renewal, type and term, and invalidation of Stay Permit, and transfer of Stay Permit status;

- e. Immigration control, Immigration Intelligence, Immigration Detention Center, Immigration Detention Room, and handling to victims of Trafficking in Persons and Human Smuggling;
- f. Implementation of Prevention and Deterrence; and
- g. Appointment of PPNS Keimigrasian and Immigration investigation administration.

Setting for entry and exit of the Indonesian Territory includes passenger, conveyance crew, and the conveyance itself. Indonesian citizen in this setting can not be rejected to enter the Indonesian Territory to the extent that having evidence indicating the person concerned as a citizen of Indonesia. While for Entry Stamp provided by an Immigration Officer for Foreigner other than as evidence of being allowed to enter the Indonesian Territory, it also serves as a Stay Permit issued in accordance with the Visa owned. Special for holder of the limited stay Visa, Entry Stamp granted as temporary limited stay in a specific period of time.

Visit Visa and limited stay Visa in filing and administration in addition to be performed in Representative of the Republic of Indonesia may also be granted in Immigration Checkpoints upon arrival in the Indonesian Territory. Special for a diplomatic Visa and service Visa in filing and administration can only be done in Representative of the Republic of Indonesia.

In case of a limited stay Visa upon arrival, in its progress is given to foreign citizen who will work in the short term, and for Foreigners who will work on the ship, floating device or installations that operate in the archipelago waters, territorial sea, continental shelf and/or the Indonesian Exclusive Economic Zone. Although Visa is an approval of entering the Indonesian Territory, but is not a guarantee that any Visa holder can automatically be granted an Entry Stamp.

With regard to the foregoing matters, further Stay Permit may be granted by the Immigration Officer at Immigration Checkpoints, Immigration Office, and the Ministry of Foreign Affairs. Stay Permit granted by the Immigration Officer at Immigration Checkpoints is attached or integrated functionally with an Entry Stamp. Stay Permit granted at the Immigration Office is in terms of renewal for visit Stay Permit, limited stay Permit for the first time and the renewal except for Foreigner who will carry out short job, granting permanent stay Permit and its renewal, and stay Permit through the transfer process of Immigration status.

The Stay Permit granted in the Ministry of Foreign Affairs with regard to visit and placement of Foreigner in the Indonesian Alien Territory in the context of diplomatic duties or non-diplomatic tasks.

Travel Document of the Republic of Indonesia for Indonesian citizen either Passport or Travel Document as Passport, serves not only as a document of interstate travel, but also a proof of identity and proof of citizenship of the Republic of Indonesia to the holder at the time outside the Indonesian Territory. Therefore, for the safety and security of Travel Document of the Republic of Indonesia, the Minister or an Immigration Officer and the Minister of Foreign Affairs is obliged to create the standardization of Passport form which among others includes shape, size, design, and content of the form.

In principle, an Indonesian citizen reserves right to exit the Indonesian Territory, and foreign citizen reserves right to stay either for a visit, temporary stay, or live in the Indonesian Territory. However, for the sake of orderliness and protection to an Indonesian citizen, and to ensure the presence and activities of foreign citizen in accordance with the purposes and objectives, then the Immigration control shall be undertaken. Immigration control is in the form of administrative control or field control, and can be coordinated in nature with other relevant agencies. In addition, implementation of Immigration has also used the Management Information System of Immigration, which can be accessed by the agency and/or the related government institutions in accordance with their mandate.

Furthermore, to protect the security and orderliness and the interest of the State and the Government of the Republic of Indonesia, the Prevention and Deterrence are undertaken on the basis of the decision, request, or instruction of the competent officer who is authorized to perform the Prevention in accordance with Act, or the relevant agency in accordance with their mandate in terms of such Deterrence. For Prevention, in urgent circumstance can be made any request to the Immigration Officer at the Immigration Checkpoints or technical implementing unit that oversees the Immigration Checkpoints by a designated officer. However, to the law certainty, within a period of 20 (twenty) days from the request directly submitted, such written decision must be submitted to the Minister.

To the Foreigner who violates the provision of the laws and regulations, Immigration administrative action is imposed, waiting for execution of Deportation, or rejected entering the Indonesian Territory, an Immigration Officer is authorized to put him/her into Immigration Detention Center or Immigration Detention Room and obliged for Deportation to Foreigner as intended Detainee.

In the interest of applying the values of human rights specifically against the Detainee up to within a period of 10 (ten) years has not also be repatriated or deported, such Detainee may

be granted a permit stay outside the Immigration Detention Center under the approval of the Minister, while obliging him/her to periodically/continuously report to the Immigration Officer.

Immigration investigation conducted against Foreigner who violates the provision of Act Number 6 of 2011 concerning Immigration. For orderly implementation, appointment of PPNS Keimigrasian and Immigration investigation administration are undertaken relying on the provision of laws and regulations concerning law of criminal procedures and its implementation regulations.
